Offering primary school children access to a variety of play opportunities after school from 3pm till 5.45pm every weekday, during school term-time. This not only benefits individual families but supports the wider economic benefit of the community.

Kingsnorth Community After School Club

Summary of aims and objectives.

The purpose of the After School Club is to provide the school community of Kingsnorth with an affordable childcare provision. Offering primary school children from Kingsnorth Primary School access to a variety of play opportunities after school from 3pm till 6pm every weekday, during school term-time. The club also supports the wider community of Kingsnorth during the school holidays by providing a full day care provision open from 8am till 6pm for 7 weeks (normally 3 weeks in the summer, 1 week in February, April, May, and October)

Historically access to a good quality childcare provision has been the main barrier to parents' access to work or training. The provision of the club provides a service that allows parents to access employment/training secure in the knowledge that their children are being cared for by professionally qualified individuals in a secure environment. It allows parents, particularly on low income and lone parents, to extend their working day. Often lifting them from poverty. This not only benefits individual families but supports the wider economic benefit of the community.

Amount of Grant requested: £2851.44.

The Parish Manager produced a proposal for Councillors to consider.

Suggested Proposal

That Councillors to provide funding of £1,000 to each school listed below to support families living within the Kingsnorth Parish that need help.

The school can provide support to families using this funding for items such as:

Pens Paper Textbooks Reading Books Craft materials Food items, Clothing or Any other support that the school identify that would support the family.

Schools who receive the funding will be asked to provide a report on what the money has been spent on and agree that no more than £100 can be spent on one family.

Schools to receive funding:

Furley Park Primary Academy

Kingsnorth CEP School

John Wallis Academy (Primary and Secondary)

John Wesley CEP School

Finberry Primary School

Highworth Girls Grammar School

Norton Knatchbull Grammar School

The North School

Towers School

Homewood School and Sixth Form Centre

Wye School

Total project funding = \pounds 12,000.00 (\pounds 2,000 to John Wallis to be split equally between primary and secondary).

Please note: This project is specific due to the current global pandemic. If councillors wish to support schools in the future this will need to be looked at separately or considered as part of the community grant scheme.

Cllr Bridger commented that he feels it is a great proposal and would happily propose it.

Cllr Hicks commented that maybe the proposal should be slightly more generic.

Cllr Townend commented that it is a fantastic proposal and thanks the Parish Manger for putting it together. Cllr Townend added that he would happily second the proposal.

Cllr Cosgrove commented that it is a very good proposal, and he is happy to support it but asked if there were any special needs schools that may need to be included in the list.

Parish Manager responded that he would contact special need schools too.

Cllr Hicks raised concerns and suggested a drawdown per school. Cllr Hicks added this proposal should be an experiment for one year.

Cllr Shorter raised concerns on too many schools being involved.

Cllr Cosgrove commented that the Parish Council are doing this as a current pandemic issue only.

Cllr Townend commented that it has expanded in the number of schools, but it is not a grant for everyone, it is only open to Kingsnorth Parishioners, some of which were not lucky enough to be offered a place at the local school for their children so attend schools outside of the Parish.

Cllr Bridger proposed that the Parish Council support up to 16 schools at £1,000 each giving a maximum budget of £16,000.

Cllr Townend seconded Cllr Bridgers proposal.

PROPOSED BY CLLR BRIDGER SECONDED BY CLLR TOWNEND Cllr Ransley asked for a roll call vote: Cllr Barber - For **Cllr Cosgrove - For** Cllr Hicks - For **Cllr Townend - For** Cllr Bridger - For Cllr P Moss - For Cllr S Moss - For Cllr Wedgbury - For Cllr Ransley - For Motion moved.

PROPOSED BY CLLR RANSLEY SECONDED BY CLLR BRIDGER **ALL THOSE IN FAVOUR - 9** ALL THOSE AGAINST - 0 **ABSTENTIONS - 0** Motion moved.

9. Update on litter / traffic safety issues.

Parish Manager updated on concerns which had been raised by residents about litter around the Parish. Litter picking equipment has been purchased to give to residents who would like to litter pick whilst out walking.

Parish Manager added that more of the Anti-Litter banners could be made to locate around the Parish. Cllr Bridger commented that ABC are putting out notices that you should not really be litter picking as it is non-essential due to lockdown. If the guideline states this so we should abide by it during the pandemic. Cllr P Moss commented on ditches being full of rubbish.

Cllr Hayward raised issues with ditches to KCC who then referred her to ABC. Cllr Hayward added that it is an issue but is being dealt with.

10. Receive locations for benches, sleeper bridges, bird feeders (which are 2021/2022 Financial Year Budget items) so this can be shared with ABC.

Cllr Cosgrove commented on bird feeders asking if the cleaning of them and the potential increase of rat problems had been considered.

Cllr Ransley responded that it is going to be an issue and that ABC will probably be very alive to the suggestion of bird feeders. A location may not be found due to the same reasons that Cllr Cosgrove raised. Cllr Hicks commented that she does not feel bird feeders are a good idea due to the possibility of theft as well as the issues raised by Cllr Cosgrove.

Cllr Cosgrove asked if it had been discussed with the RSPB. Benches, have we offered to put them up for residents to have as memorial benches?

Cllr Ransley responded that natural England has a winter bird feeding mix which are automatic feedings. Not been consulted on the potential locations but we could speak with Kent Wildlife Trust. Cllr Ransley added that funding the benches could be looked at in terms of member sponsoring a bench.

Cllr Townend asked if a vote could take place before looking at all the final details.

Cllr Shorter commented that some of the land identified on the map in not in public access.

Cllr Ransley asked if anyone was willing to propose that the Parish Council move forward in terms of contacting ABC regarding benches and the super bridges and refer back to bird feeders later.

Comments: Cllr Ransley suggested that we submit a holding objection and say that the Parish Council will submit a more detailed comment later.

Cllr Ransley added that a planning meeting be held between now and the next Parish Council meeting and invite residents to comment to inform what we would like to say. Cllr Ransley also suggested that the Parish Council release the letter which was written previously about the general idea of this application.

Cllr Hicks agreed that Cllr Ronsley's suggestions were good but added that the meeting would need to take place via Zoom for residents to attend.

Cllr S Moss commented that he is really against the location of this planning application.

Cllr Townend commented that some of the tactics used on behalf of the Surgery have been a little underhand.

Cllr Ransley asked if Councillors happy to vote in favour of the comments as drafted in the document but Cllr Ransley proposed that for the Surgery proposal the Parish Council submit a holding objection and state that we will have a full comment at the next meeting and between now and the next meeting in the meantime a planning meeting will be held so that the Parish Council and residents can feed into that and write a more detailed response, the Parish Manager can then also publish the letter which the Parish Council had previously sent.

Application Number: 21/00143/AS

Address: 2 Wivenhoe, Kingsnorth, Ashford, Kent, TN23 5YL

Parish Ward: Washford Ward

Proposal: Change of use of land to residential and erection of a fence

Comments: The Parish Council Objects to this application. The street scene along the Washford Road has dwellings and walls (of any height) set back from the road. The construction of a 1.8m high wall only a meter from the footpath is incongruous with the local area. We believe that this conflicts with policy SP1d) of the Ashford Local Plan. In addition, we do not believe that narrow corridors with high walls adjacent to the road encourages the uptake of sustainable modes of travel (SP1f).
