

Kingsnorth Parish Council

COMMUNITY GRANTS

Introduction

A grant is any payment made by the Council to be used by an applicant for a specific purpose that will benefit the Parish, or residents of the Parish, and which is not directly controlled or administered by the Council.

The Council awards grants at its discretion, to applicants who can demonstrate a clear need for financial support.

Objectives

The project receiving a grant should contribute to at least one of the below Parish objectives.

- Provide or enhance a service.
- Enhancing quality of life for Parish residents.
- Improving recreation and/or sports.
- Improving the environment.
- Promoting the Parish in a positive way.

When can you apply?

Applications made for grants below £5000 may be made at anytime of the year provided there are enough funds in the budget available.

For larger grants over £5000 the Council will expect to receive in writing to the Parish Manager any expression of interest by 30th September of the financial year prior to the being required, in order that budget provision can be considered.

Eligibility Criteria

Kingsnorth Parish Council will not award grants to:

- Commercial organisations.
- Political parties.
- Religious organisations, unless for a purpose which does not discriminate on ground of belief.
- Applications from applicants with parent or 'umbrella' groups with available national funding will not normally be considered.
- Purposes for which there is a statutory duty upon other government bodies to fund or provide.
- The benefit of an individual.
- Purposes of loan repayments, paying rent, council tax, utilities, insurance costs (other than public liability) or projects with high ongoing maintenance costs.
- Applications seeking more than 30% of the total grant funds available in any single financial year. An applicant may apply for grants more than once in a financial year but in total they may not receive more than 30% of the grant funds of the PC's Budget.
- Ongoing commitments, grants over multiple future years will not be made. A fresh application will be required each year.
- Retrospective applications, where an event or activity has already occurred will not be considered.

Making a valid application

- Complete an application form.
- Supply all required information outlined below:
 - A copy of the applicants written constitution.
 - A copy of the applicants most recent set of audited accounts.
 - Provide any quotations or estimates.
 - Details of applicants' bank name, address, sort code and account number.

Assessment Criteria

Applications will be assessed on their own merits, subject to the right to consider the history and outcomes of any previous applications made by the applicant.

The Council will consider:

- How well the project meets the needs of the local community and Parish objectives
- The nature of the benefit and number of residents of the Parish who will benefit
- How effectively the group will use the grant
- Whether the costs are appropriate and realistic
- The proportion of contributions which have been, or will be, raised towards the scheme
- Should the applicant reasonably have been expected to obtain sufficient funding from another, perhaps more appropriate source
- How the group is managed, as indicated by its constitution
- In the case of larger projects, is the proposal sustainable in the long term

Have regard to its duties under:

- The Equalities Act
- The Natural Environment and Rural Communities Act (Biodiversity Duty)
- The Crime and Disorder Act
- Applications from individuals will only be considered if they will bring clear and positive benefit(s) to the parish community.
- The Council will scrutinise individual applications.

Grants that do not meet all the criteria may be awarded, however there is a general expectation that applications for larger grants will fall within the criteria. Some flexibility may be applied for lesser grants, at the Parish Councils discretion. Similarly, the Council may apply such flexibility as it considers appropriate in the event of any unforeseen or urgent event.

Decision and Award

- The Council may make the award of any grant or subsidy subject to such additional conditions and requirements as it considers appropriate. For example, 'no disposal of a significant asset purchased with grant funds without the written consent of the council'.
- The Council may make the award of any grant for only part of the amount sought by the applicant.
- The Council reserves the right to refuse any grant application which it considers to be inappropriate or against the objectives of the Council.
- Any grant must be used for the purpose for which it was awarded unless the written approval of the Council has been obtained for a change in use of the grant monies.
- Any unspent portion of the grant must be returned to the Council promptly.
- The Council will make the decision on which grants to award. All applicants will be contacted following the Council's decision.

Monitoring and Reporting

- For grants over £5,000 the Parish Manager and/or an appointed Parish Councillor will liaise with the organisation and attend such meetings as are required during the implementation of the project.
- The project delivery shall commence within 12 months of the grant award payment otherwise the monies shall be returned and a new application submitted if needed.
- The administration of and accounting for any grant shall be the responsibility of the recipient. All awards must be properly accounted for, and evidence of expenditure should be supplied to the Council as requested, for at least 3 years after the award of the grant.
- Successful applicants should provide a report at the Annual Parish Council Meeting (in May) to show how the money was spent. At other times, further information, including photographs, should be made available to the Parish Council Manager for sharing via the Newsletter and website. Organisations should refer to the Council grant when reporting through their own routine publicity channels and provide copies to the Parish Council Manager.
- The Parish Council will regularly assess the impacts and outcomes of grants awarded and report each year.

Nothing contained herein shall prevent the Council from exercising, at any time, its existing duty or power in respect of providing financial assistance or grants to local or national organisations under the provision of the Local Government Act 1972, Section 137.
